## OPEN CALL

### 12 month Residencies at Grand Union for BCU Art & Design Graduates

Grand Union is working in partnership with Birmingham City University to offer four graduates free co-working space for 12 months.

This new co-working space will form part of Grand Union's expanding studio provision. The expansion sees the addition of 13 m<sup>2</sup> studios and Modern Clay, a new ceramics facility offering open access to artist and community groups in the region.

- Mentoring from Grand Union's Curatorial team

The residencies will begin on August 1st and studio holders will be invited to take part in a launch and open studios event on Friday 1 September 2017.

To be eligible, you must have graduated from an Art & Design course at BCU in the last five years (earliest graduating 2012).
