

GRAND UNION

CALL FOR STUDIO HOLDERS

Grand Union is creating four new studios, available to rent from August 2017. We are looking for artists who will be active users of the space and committed to participating in open studio events.

The studios are part of an expansion that includes a co-working space for BCU graduates and Modern Clay, a new artist-led ceramics facility.

Studio specifications:

- 24 hour access
- 13.2 m² self contained, locakable space
- Rent £95 per calendar month, inclusive of electric and wifi access
- First floor (no lift access)

These compliment Grand Union existing provision of 8 artists' studios and an internationally recognised gallery that hosts a regular programme of exhibitions, talks, workshops and performances.

To apply, please send us:

- An overview of you and your practice (500 words max or a video lasting no longer than 5 minutes)
- Up to 5 images of recent work or weblinks (max pixels 1200 on longest dimension)
- A paragraph telling us why you want to be a Grand Union studio holder and the benefits to your practice (300 words max)
- A current CV
